Election/Restrictions

1. In the original election/restriction of 6/28/06, applicant was required to choose between group I, claims 1-25 and 41-46, and group II, claims 26-40; furthermore, applicant was required to choose among the following species if group I was elected

If applicant elects group I to the product, applicant must select from the following product species

Claims 1-17 wherein the bladder is pressurized and a reinforcing structure is at least partially recessed in the barrier material.

Claims 18-25 wherein the bladder includes first and second surfaces which are joined through an interior of the bladder by a plurality of interior bonds and the bladder including at least one flexion.

Claims 41-46 wherein a barrier that encloses a fluid, the bladder having a first visual property and a reinforcing structure bonded to the barrier material which has a second visual property different from the first.

Applicant in the response of 7/17/06 chose group I, claims 1-25 and 41-46. However, applicant went on to further state that among the species for group I applicant chooses claims 1-7, 9-24 and 41-46. The selection of said claims is improper and applicant is respectfully requested to choose either claims 1-17, claims 18-25, or claims 41-46 for further prosecution.
